

Evansville Institute on the Constitution Presents...

Geoengineering and You

- What is it?
- Why you should care?
- What you can do about it

Join us on Saturday, December 3rd, 2016 at the Red Bank Public Library on Evansville's West Side. This meeting will be held in the Howard meeting room. Doors open at 9:30 AM with the formal presentation starting at 10:00 AM. Following the presentation, there will be a Q&A session. We will conclude by noon. This event is free and open to the general public. Coffee and donuts will be provided.

GEOENGINEERING (Global Weather Modification) **is Threatening All Life on Earth**
